Re: California Public Records Act Request

Dear Mr. Drake:

On August 13, 2012, Modesto Irrigation District received your Public Records Request via email, requesting the following information:

“I would like the amount paid to George Petrulakis and or his firm for the months of July 2012 and August 2012. This can be a copy of the check, warrant payment or a list of payments, date issued, and their accompanying identifier number.”

In accordance with Government Code section 6253, MID will comply with your request to the extent that the writings you have requested are not privileged or otherwise exempt from production under the California Public Records Act, or other applicable law.

Response: The amount billed for George Petrulakis for the month of July was \$28,852.50. There is no warrant or check at this time because the bill has not been processed for payment. We have not been billed for August.

Should you have any questions regarding this matter, please do not hesitate to contact this office at (209) 526-7388.

Sincerely,

Tim O'Laughlin
General Counsel
