Re: California Public Records Act Request

Dear Mr. Drake:

On October 18, 2012, Modesto Irrigation District received your Public Records Act Request via email, requesting the following information:

“I would like all costs relating to Mountain House from its inception. Since MID separates the costs between recoverable and nonrecoverable, a listing of both is necessary. Also I would like the electric revenue by year from Mountain House.”

In accordance with Government Code section 6253, MID will comply with your request to the extent that the writings you have requested are not privileged or otherwise exempt from production under the California Public Records Act, or other applicable law.

Below is the Mountain House Expenditures from 1998 through 2011:
